\*Description Of Other:

Action: Open a Preliminary Evaluation

Engineer: Leamon H. Strickland *LS* Date: 07/07/2006  
Div. Chief: Thomas Z. Cooper Date: 07/07/2006  
Office Dir.: Kathleen C. DeMeter Date: 07/07/2006

Summary:

Consumers allege that panels of the glass moonroof may shatter and that fragments fall into the occupant compartment. Seven incidents involve the retractable glass panel section of the moonroof and two involve the stationary glass panel section of the moonroof. Some reports allege that breakage occurred while vehicles were being driven. One complaint reported cuts from the broken glass.
