Date: 11/15/2006  
Date: 11/15/2006  
Date: 11/15/2006

Summary: The agency has received four reports alleging fuel leak or odor concerning the subject vehicles. Three of four reports allege fuel leakage from the fuel pump assembly mounted on top of the gas tank assembly. The remaining report alleges fuel odor from the fuel tank. Most indicate that the fuel leak/odor was noticed during the summer months of 2006.
