The revised due dates are July 21, 2006 for requests numbers 1-7, 10, 11 and 14; and August 7, 2006 for the remainder of the response. Tom,

Thanks for the call back today. I appreciate your flexibility. Per your proposal, we will respond to questions 1 - 7, 10, 11 and 14 by July 21, 2006. Response to the remaining questions will be submitted by August 7, 2006. If you could acknowledge this deviation with a quick response that would be great.

Have a great Fourth of July.

Subject: EA06-003 - Request for Extension

Tom,

Per my voicemail message, this memo is to request a one month extension of the due date for the EA06-003 Information request from July 7, 2006 to August 7, 2006. This request is driven by the significant amount of information and assessment requested by your office, coupled with summer vacation scheduling driving resource issues and the additional time and effort required to coordinate the response with the Supplier. Please advise if any questions, and I look forward to your response.
