Chris,

I have reviewed Toyota's extension request (below) with Jeff Quandt; NHTSA grants the request. Please advise if any further issues arise.

Regards,
Scott

Subject: Request for Extension DP06-003

Scott,

We would like to request an extension of the due date to the DP IR letter for question 6. We would like to submit our response on December 20 to question 6. We are busy with the translation of these reports and the translations need to be confirmed, and since the reports are generated by a supplier, it is out of our immediate control. Please let us know if this is acceptable or not. We appreciate your assistance with this matter.
