**Subject:** Request for Extension: EA06-020 IR Due Date

Tom,

On behalf of Toyota Motor Corporation, we would like to request an extension of the due date for our response to the EA-IR letter dated January 22, 2007 for EA06-020, the investigation into the Toyota Sienna. We would like an additional 2 weeks to complete our response. On the original due date of March 23, Toyota will submit a partial response that includes responses to Questions 1 through 7, 9, 16, and 17. On April 6, we will submit the remainder of the response.

We make this request because we need additional time to obtain and review drawings and documents currently out of our control and residing at our supplier. In addition, we have some internal documents and some documents from suppliers that require translation to English. Your assistance with this matter is greatly appreciated. Please let me know if you have any questions or concerns.
