Hi John,
Your request for an extension for RQ06-003 is granted. The due date for VW to respond to our March 16, 2006 information request letter has been changed to May 26, 2006. If VW is able to provide a partial response prior to May 26, 2006 please do so as that will assist us to meet our planned work schedule for this investigation.

Subject: RQ06-003 - Request for extension

Hello Again Tom;
I would like to also request an extension for RQ06-003 (Audi A8 Dash) to May 26, due to similar reasons of Holidays and workload capacity.

I will call you to discuss.

Thank you for your consideration.
