Dear Ms. Demeter:

Per our telephone conversation with Mr. Thomas Cooper of your office on October 23, 2006, Volkswagen confirms that it will conduct a customer satisfaction campaign on all U.S. market Touareg vehicles built before November 13th, 2004 to address a number of customer satisfaction concerns, including the repair to the subject airbag wiring harness. This customer satisfaction campaign will be launched on or before December 15th, 2006.

Please contact me if you have any questions.

Regards,

John Maddox
