Jeff,

This message is a follow-up to our telephone conversation today regarding the due date for the subject Information Request (IR) investigation.

The original due date for this investigation was March 30, 2007. GM is requesting a due date extension because of workload requirements for this IR. Per our conversation, we agreed the new due date will be Friday, April 20, 2007.

Please respond back to me with your concurrence or if you have any questions.

Sincerely,

Keith S. Schultz
