Subject: Request for Extension of the Due Date: IR Letter for PE07-016

Jeff,

Further to our conversation the other day regarding this investigation, in addition to the one week delay in receiving the IR letter, our Japan office will be closed next week for the Golden Week holiday. Therefore, Toyota would like to request a two week extension of the response due date. We would like to submit a complete response to your inquiry letter on June 6 if possible. Your assistance with this matter is greatly appreciated. If you have any questions or concerns, please let me know.

Jeff,

I just wanted to let you know that today we received the hard copy (via certified mail) of the IR letter for PE07-016. The letter is dated April 5. We did not receive an advance copy via fax or email, and since today is the 11th and the due date is May 23, we have lost a week to prepare our response. If you think it's appropriate, a one week extension of the due date would be greatly appreciated.

If the letter was emailed with attachments, there is a strong possibility that our email server blocked our receipt. I have a list of prohibited file extension in my signature below. Of course, we greatly appreciate whenever your office sends a fax of the IR's and resumes, in order to help the process along.

Thanks,

and
