Subject: RE: PE07-025 Due Date

Hi Keith,

GM's request for an extension of the due date to July 27, 2007 is granted. If GM is able to provide a partial response by the original due date it would be most helpful (particularly for the counts and copies of complaints, field reports and warranty claims).

Subject: PE07-025 Due Date

Tom,

This message is a follow-up to our telephone conversation today regarding the due date for the subject Information Request (IR) investigation.

The original due date for this investigation was June 29, 2007. GM is requesting a due date extension because of workload requirements for this IR. Per our conversation, we agreed the new due date will be Friday, July 27, 2007.

Please respond back to me with your concurrence or if you have any questions.

Sincerely,

Keith S. Schultz
