NVS-213kmb
 PE07-006/EA07-008

Dear Ms. DeMeter:

This is a supplement to General Motors' (GM) response dated September 21, 2007, regarding allegations of a non-crash related fire originating in the engine compartment in certain 1999 through 2002 model year (MY) vehicles equipped with a 3.8L supercharged (L67) engine manufactured by General Motors Corporation.

Certain not-in-suit claims and subrogation claims were identified in that response, and responsive claims documents that were not privileged or work product were provided.

As you requested, GM is providing a Privilege Log for the privileged or work product documents concerning those claims. The Privilege Log is contained on the ATT_1_GM_Supplement 2 disk.

Please contact me if you require further information about the Privilege Log.

Sincerely,

Gay P. Kent
