Failure to perform scheduled maintenance with Genuine Nissan Parts may void your factory warranty.

Protection for the environment

A well-maintained vehicle consumes less fuel and has lower emissions.

A Maintenance+Plus Vehicle Service Plan is the best protection for your investment

A Nissan Maintenance+Plus Vehicle Service Plan is the most economical and convenient way to ensure that your Nissan gets the service it deserves and to help avoid expensive repairs. A well-maintained vehicle typically earns higher resale value. For leased vehicles, maintenance is often a requirement of your lease agreement. Maintenance+Plus offers you these benefits:

- Convenience – Maintenance+Plus Plans are honored at all participating Nissan Dealers
- Factory-Trained Technicians – Because they know your Nissan best, they can spot potential problems during regular maintenance that others might miss
- Genuine Nissan Parts – Only Genuine Nissan replacement parts[†] are used to maintain your vehicle's reliability and value – never inferior substitutes
- Enhanced Resale Value – Properly maintained vehicles typically earn higher resale value
- Transferable – If you sell your Nissan, the plan is transferable to the new owner* thereby helping to boost resale value
- Price Protection – Pre-payment of maintenance ensures that you're protected from future parts and service price increases
- Affordable Flexibility – With a variety of time and mileage options and a range of service plans, you can choose the plan that suits your individual needs and driving habits

*A nominal transfer fee may apply. For details, please refer to the Maintenance+Plus agreement or contact your local Nissan dealer.
