Labor Op Description
Oil Pan Others
Camshaft-Timing Chain Others
Valves Others
Intake Manifold Or Manifold Assembly
Vacuum Switching Valve
Emission Control System Others
Coil-Spark Plug Others
Distributor Others
Fuel Tank Cap Assembly
Charcoal Canister
Fuel Tank-Pipe Others
Remote Control Others
Speedometer Driven Gear Subassembly And/Or Speedometer Sensor
Transmission Solenoid Assembly
Automatic Transmission Others
Drive Shaft Assembly (Rear)
Drive Shaft (Front, Rear) Others
Transfer Others
Rear Axle-Differential Others
Wheel Disc Or Tire
Tire-Wheel Others
Rear Axle Shaft
Rear Axle Shaft Bearing
Type T Oil Seal
Rear Axle Shaft Others
Lower Ball Joint Assembly
Front Axle Hub
Bearing
Front Axle Others
Front Axle Drive Others
Tension Spring And/Or Wire
Steering Wheel Others
Steering Main Shaft Others
Power Steering Others
Steering Linkage Others

Tandem Master Cylinder Assembly
Master Cylinder Reservoir Set
Brake Master Cylinder Others
Brake Booster Assembly
Vacuum Check Valve Assembly
Brake Booster Others
Brake Tube-Hose Others
Parking Brake Others
Brake Pedal Others
Front Disc
Front Disc (On-Vehicle)
Rear Disc
Front Disc Others
Load Sensing Proportioning Valve Others
Rear Suspension (4 link) Others
Instrument Panel Others
Windshielt Glass Others
Door Panel-Trim Others
Rear Door Glass Run
Front Door Weatherstrip Assembly Or Clip
Front Door Inside Handle Assembly
Power Window Others
Front Seat Assembly
Rear Seat Belt Buckle
Front Seat Cushion Assembly Others
Interior Decoration-Trim-Board-Floor Mat Others
Outer Rear View Mirror Assembly (Remote Control Type)
Front Turn Signal Light Assembly
Fog Light Assembly
Headlight-Turn Signal Light Others
Rear Combination Light Bulb
Taillight Others
Taillight Others
REPAIR WIRING HARNESS
Combination Meter Assembly
Combination Meter Assembly Others
Fuel Sender Guage Assembly
Oil Pressure Switch Asembly
Fuel Sender Guage Assembly Others
Monitoring System Others
Windshield Wiper Link Assembly

Windshield Wiper Others
Suspension Control ECU
Steering Sensor
Electrpnocally Modulated Air Suspension-Tems Others
Radio Tuner Assembly
Antenna Assembly With Holder
Stereo Component Amplifier
Radio Others
Hoan Others
Deffogger Others
Idler Pulley Subassembly Others
Cruise Control Others
Body ECU
Multiplex (MPX) Communication System Others
Center Airbag Sensor Assembly
Airbag System Others
Transmission Control Module
Vehicle Speed Sensor (Front)
Vehicle Speed Sensor (Rear)
Pattern Select Switch
Electronic Controlled Transmission Others
Engine Control Module
Throttle Position Sensor
Oxygen Sensor
EFI Others
Skid Control Computer Assembly
ABS Actuator Assembly
Front Speed Sensor
Rear Speed Sensor
TRAC ECU
TRAC Actuator Assembly
Skid Control Computer Assembly Others

List of problem code which be included warranty search result.

Problem code Description
Hard or impossible starting
Rough idling
Surge
Stumble, Hesitate, Poor Acceleration
No Customer Complaint/Found
Excessive Knocking
Engine Stalling
Excessive Fuel Consumption
Failure in I/M program
Dieseling run on
Engine no start (Includes percolation, stall)
Overflowing, flooding
Improper contents of exhaust gas
Failed emission test
Shuddering
Slipping
Improper synchronizing, improper engaging, clash
Abnormal shift point(including improper kick down)
Automatic transmission impossible to shift
Impossible shift(manual trans or transfer assembly
Check engine light on
Unstable steering
Excessive shock
Low efficiency
Steering wheel off-center
Improper Stroke
Poor recovery
Excess Vibration
Uneven Vehicle Height
Brake Dragging
Improper parking brake level or pedal stroke
Wind Noise
Abnormal smell
Loosening, Falling Off
Leaks
Oil Leak, Oil Entering
Water Leak, Water Entering
Poor Feeling of Switches or Control
Poor Chrome Plating

List of problem code which be included warranty search result.

Problem code Description
Battery Does Not Hold Charge
Ineffective On
Inaccurate
Over Charge
Poor Wiping of Blade
Poor Sound
Distorted audio
A/C, cooler or heater not cold or hot enough (excludes gas leak code=64)
Malfunction of display panel (includes liquid crystal display etc.)
Unstable on and off
Ineffective Off
Correct Odometer
Improper coming out lighter, antenna
Improper tuning of radio
Erroneous Behavior
Engine check lamp on/MIL on
Warning or indicater lamp on
Warning or indicater lamp on (other than code = 8A & 8B)
Light dim or inoperative (includes headlamp etc.)
Abnormal Noise
Grabs
Interferance Damage
Inoperative
High Effort
Poor Maneuverability
Others
Improper closing and/or opening, ineffective lock of steering, A/T shift, door, hood, belt or seat etc.
Shudder, excessive vibration or pulsation
Poor return of belt, seatback, turn signal switch etc.
