Hi Mr. Bennett,

Our office grants an extension for Mitsubishi's reply to ODI's April 9, 2009 information request letter. The reply date, originally May 7, 2009, is now extended to May 29, 2009 based on your request.

Please note an error on page 7 of ODI's letter for the identification number (incorrectly stated as EA08-006) of this investigation. The correct number is EA08-011 as shown in the heading and in the text on page 1 of the letter. When Mitsubishi submits its response, including any confidential material to our Office of Chief Counsel, please refer to investigation EA08-011.

Thank you,

Tom Cooper
Chief, Vehicle Integrity Division
Office of Defects Investigation
