Subject: RE: Elantra Issue Request for Extension

Hi Bob,
Hyundai's request for an extension for responding to ODI's information request letter dated March 14 is granted as requested in your email below.
Regards,

Tom Cooper
Chief, Vehicle Integrity Division
Office of Defects Investigation

Subject: Elantra Issue Request for Extension

Tom,

Reference: PE08-017

On behalf of Hyundai, I would like to formally request an extension related to this matter. Many of the documents requested were originally produced in Korean and require significant translation and review prior to submission.

Hyundai proposes to submit the following components by May 2, 2008:

Request 1 Production Data
Request 2 Consumer Complaints, Field Reports, Reports involving a crash, injury or fatality, Property Damage Claims, Arbitrations, Lawsuits
Request 3 Data related to Request 2
Request 4 Documents related to Request 2 that are available by May 1 will be provided
Request 5 Warranty Data
Request 6 Warranty Data Criteria
Request 7 Issued documents that are related to the alleged defect
Request 12a Exemplar samples of the subject components
Request 13 Part Sales

Hyundai further proposes that they will provide responses to the following requests by May 23, if the extension is granted by NHTSA:

Request 8 Assessments, Analyses, Tests, Studies, Surveys, etc. related to the alleged defect
Request 9 Design and Manufacturing Changes, etc. related to the alleged defect
Request 10 Electrical Circuit Diagram and Location and Distance Diagram
Request 11 Assessment of Air Bag operation when the Air Bag light is illuminated

Request 12b Field return samples of the subject components, if they have become available
Request 14 Hyundai's assessment of the alleged defect

Your prompt review would be appreciated. Please let me know of your decision at your earliest convenience.

Best regards,
Bob
