Jeff,

As per our telephone conversation earlier today, recent events have required Hyundai's legal staff to re-review the information to be provided last Friday to ensure that the data is appropriately presented to your office. To that end, Hyundai respectfully requests a delay of one additional week for the submission of the remaining information requested from your office.

Hyundai appreciates your patience and understanding. Should you have any questions regarding this matter, please do not hesitate to contact me directly at (734) 255-3466.

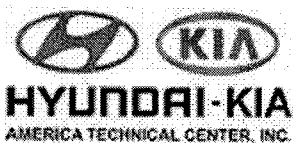

Best regards,
Bob

Subject: Request for Extension PE08-029

Andrea,

Hyundai will be able to submit a substantial partial response by the June 16 due date as follows:

- Complete responses can be provided for Requests 1, 2, 3, 4, 5, 6, 7, and 11.
- A partial response can be provided for Request 8.

However, as a substantial amount of information related to the additional information relevant to Request 8, as well information relevant to Requests 9, 10, and 12 must be procured from overseas offices, and/or will require translation into English, Hyundai would like to formally request an extension for these items until July 11, 2008.

Please feel free to contact me directly regarding any questions or issues with this request.

Best regards,
Bob
