Subject: Request for Extension: PE08-072

Jeff,

Per our discussion today, on behalf of Toyota, I would like to request an extension of the due date of our response to your IR letter regarding PE08-072. The response is due February 24. We would like to submit a partial response to the letter on February 24, and extend the responses to questions 8, 9, 11, 12c, 12d, and 13 until March 17 (three weeks). This is due to the large number of reports associated, and the large number of documents, both internal and external, requested in the response. We appreciate your assistance with this matter. If you have any questions, please let me know.

Regards,
