**Re:** Freightliner Recall #07V-306 NHTSA Audit

A letter/audit request from your department was received by Startrans/Supreme Corporation regarding Freightliner Recall #07V-306. We have reviewed the letter contents and queried any applicable Freightliner VIN numbers. VIN # 4UZAB9BV87CZ26740 was sold to Eldorado Bus Sales. Our Startrans Bus Engineer Ben Cupp will respond to you or your office directly reference the requested information on this Freightliner chassis. The other (10) chassis VIN numbers were originally "drop-shipped" into our Cleburne, TX manufacturing facility but never built on. Something happened that the order/deal did not go through and Alpine Armoring, 507 Herndon Pkwy Herndon, VA 20170 Attn. Fred - phone number (703) 650-0000 made arrangements to have the vehicles picked up. The attached enclosure to this memo serves as the query we ran in our system to verify the existence or non-existence of the vehicles retailed through Supreme Corporation. Any questions regarding the statements contained herein on this letter can be addressed to:
