Mr. Oakley Kevin Vincent  
Chief Counsel  
Office of the Chief Counsel  
National Highway Traffic Safety Administration  
1200 New Jersey Avenue SE, Room W41-322  
Washington, DC 20590

Dear Mr. Vincent:

Subject: Request Under 49 CFR Part 512 for Confidential Treatment of Information  
Regarding EA09-016

This letter requests confidential treatment and supports Ford's claim of confidentiality for confidential business information in accordance with 49 CFR § 512.8 and 5 U.S.C. § 552(b)(4).

This information is provided in response to a September 27, 2011 teleconference with Mr. Jeff Quandt of the Office of Defects Investigation, in which the agency requested that Ford submit a warranty data analysis relating to the subject Engineering Analysis. The confidential information is contained in the attached document (Attachment 1).

Ford requests protection from public disclosure for the document because the document contains confidential business information within the meaning of 49 C.F.R. § 512.3 and 512.15, and meet the following requirements:

1. The documents contain information that is not customarily released to the public by Ford.
2. Voluntary Disclosure Test (established in *Critical Mass Energy Project v. Nuclear Regulatory Comm'n*, 975 F.2d 871 (D.C. Cir 1992), and its progeny, and set forth in 49 CFR § 512.15(c),(d): The documents are being submitted voluntarily, and the public disclosure of the information would be likely to impair NHTSA's ability to obtain necessary information in the future.

Ford documents of this type are maintained under a record keeping system which is intended to control dissemination of this material within Ford, and to assure that the material is not disseminated outside of Ford, except as described in the attached certification (Attachment 2), which is made pursuant to 49 CFR § 512.4(b).

Mr. Oakley Kevin Vincent

The attached document is marked "ENTIRE PAGE CONFIDENTIAL BUSINESS INFORMATION" in the top margin.

Ford requests that this document be granted confidential treatment by the agency for a period of ten years. Earlier disclosure of this document, in Ford's opinion, would result in substantial competitive harm.

In the event that the agency should conclude that all or part of the submitted information is not to be given confidential treatment, Ford asks the agency to provide reasonable notice of not less than ten working days prior to any contemplated disclosure in order that Ford may pursue such legal remedies as it may choose. Please direct all written notices to me at Ford Motor Company, Suite 400, Fairlane Plaza South, 330 Town Center Drive, Dearborn, Michigan 48126. Please direct all non-written communication to Mr. Alan Prescott, Esq. in Ford's Office of the General Counsel who may be contacted by telephone at (313) 390-5621.

Thank you for your continuing courtesy.

Sincerely,

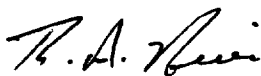

Steven M. Kenner
