**Subject:** 1993-04Jeep Grand Cherokee EWR Fire/Fuel System Reports

We found a few more Jeep Grand Cherokee EWR reports coded slightly differently by model but Vindicator indicates they are Grand Cherokees – to facilitate your processing of our request, attached is a file with 26 reports of claims or notices on 1993-04 Grand Cherokees which Chrysler coded as Fire Related. We request that NHTSA obtain the original source documents from Chrysler & consider them in the processing of DP09-005.

Thank you.
