Tom,

On behalf of Toyota, I would like to request an extension of the due date of our response to your IR letter regarding PE09-019. The response is currently due June 26. We would like to submit a partial response to the letter on June 26, and extend the responses to questions 8, 9, 11, and 13 until July 17 (three weeks). This is in part due to a large number of reports and documents associated with the design, both internal and external to Toyota, requested in these portions of the letter and some difficulty in parts procurement. Also, we did not receive the letter until 1 week after the issue date. We appreciate your assistance with this matter. If you have any questions, please let me know.

Regards,
