Jeff,

This is to confirm my telephone request from earlier today for an extension of time for Ford to respond to PE09-020. The original requested due date is July 9, 2009. Due to work schedules in this office and an engineering shutdown from July 3 through July 12, 2009, we respectfully request an extension of the due date to July 17, 2009.

Please call me if you have any questions concerning this requested extension.

Thank you for your consideration of this request.

Ray
