Subject: FW: PE09-034: Confirmation of Kia's Extension Request

Mr. Waimey,

Please see below. Kia's request for an IR response extension is granted.

Regards,
Scott

Valencia, can you place this email in the investigation file please as a record of this request and approval.

To: Yon, Scott (NHTSA)
Subject: FW: PE09-034: Confirmation of Kia's Extension Request

Scott,

Kia requests an extension of 30-days for Q8-11 and Q13-16. Q1-7 and 12 are still due on 9/25/09 (this Friday). I recommend that we allow Kia this extension.

9/30/2009

Peter C. Ong

Safety Defects Engineer
Office of Defects Investigation, NVS-212

Subject: PE09-034: Confirmation of Kia's Extension Request

Peter

This email is my followup to our conversation yesterday where I requested on behalf of Kia a 30 day extension of time, from September 25, 2009 to October 26, 2009, to provide responses to certain of Scott Yon's requests in his PE09-034 letter dated August 4, 2009. Subject to Kia's commitment to provide a timely response to the other requests, you stated that such a request should be satisfactory. As discussed, Kia will provide information in response to categories 1-7 and 12 on September 25, 2009. The extension will apply to requests 8-11 and 13-16. We also appreciate your advice that it would be best if Kia could provide the remaining information, or at least substantial portions of it, before the extension date due to the restricted time periods available for ODI to evaluate a PE response.

Thank you for your cooperation. I look forward to receiving Scott Yon's approval email.
