Memorandum

U.S. Department
of Transportation

National Highway
Traffic Safety
Administration

Subject: Forwarding documents to public file
Related to Petition Material Confidentiality

Date: October 24, 2011

From: Bob Young

To: Public file, DP10-002

During the course of conducting NHTSA's petition analysis, we received the attached October 11, 2011 letter from counsel representing Dayton Wire Wheel, Inc. requesting that any material submitted by the Petitioner (Gisslen) be accorded confidential treatment consistent with the findings outlined in NHTSA's April 28, 2011 letter. Please place the October 11th letter in the petition's public file.

Legal Counsel.

Re: Request for Confidentiality of Documents/Information – PEO9-052
[Dayton Wire Wheel, Inc.]

Dear Mr. Matheke:

This is a letter in follow up to our request of May 14, 2010 requesting confidential treatment for Dayton Wire Wheel, Inc. ("DWW") with respect to certain materials submitted in the above-referenced investigation, as well as your letter of April 28, 2011 granting our request in part and denying it in part (DP10-002).

Upon information and belief, it is has come to the attention of DWW that the Petitioner who initiated this investigation, and who is also a former employee of DWW, has submitted additional information and documentation which falls into those categories granted confidentiality pursuant to your correspondence of April 28, 2011. DWW would therefore request that any such additional documents and/or information submitted by Petitioner that falls within these categories also be treated as confidential.

If you have any questions or concerns, please do not hesitate to contact me.

Very truly yours,

Jeffrey P. Hinebaugh
