History: This message has been forwarded.

[REDACTED], concerning GM's request for clarification of the information request ODI sent for PE10-005 related to Chevrolet Cobalt electric power steering failures on February 16, 2010;

Regarding the "Peer" vehicle data, we would like GM to provide a response to Q1 - Q7, Q8 concerning EPS system function and fault detection can be limited to any significant differences that exist between the Cobalt and Peer vehicles, and Q12, Q13 and Q15.

Regards,

Chris Lash
