Alex,

Sorry it got so late today but I did find the communication you referred to inquiring about 08E-046. Apparently there was a confusion between our recall clerk, Daniel Mata and I, in that at the same time that this package arrived, I supplied the agency similar documentation, via a letter to a Ms. Jennifer Timian on the same date your document was sent. Please see attached email. Daniel and I both thought we had complied with the agency's request.
I will be happy to fill this response out in the new format and get it back to you ASAP. Can you please provide the document via email in a Word format, or is it OK just to return the numbered answers?

Please advise,

OP

Mr. Pardinas,

My office mailed Ricon an information request letter (EQ10-001), to your attention, on February 5, 2010. It was signed for on 2/16 by "Hseeh". Our letter was regarding Ricon recall 08E-046.

Ricon's response should have been sent by COB 3/2, but we have not received it as of now.

Do you know when Ricon will be responding to RMD's inquiry?

Thank you,

**Alex Ansley**
