Subject: CTS - Request No. 10

Dear John:

In your March 2, 2010 e-mail to Mary Ellen Powers, you requested that CTS provide "at least a preliminary narrative response" to Request No. 10 by March 3 and a complete response by March 17. Based on the information reasonably available to the company, the response to Request No. 10 provided on March 3 was a complete response, and we do not plan to file another response today.

If you need something more formal, or if you have questions about CTS's response, please let me know.

Very Truly Yours,

Robert Faxon
