## **Overallowance/Negative Equity/Incentives Form (Non-Florida)**

| <b>Customer:</b> SR #: 71-534186786 BBB | <b>B#:</b> CHV0746548 |
|-----------------------------------------|-----------------------|
|-----------------------------------------|-----------------------|

This form may be used to identify possible Overallowance or Negative Equity and to determine any customer incentives which were paid but may not be easily identifiable on a Bill of Sale.

You must determine the TRUE purchase price of a vehicle and identify any Overallowance, Negative Equity, and/or Incentives prior to arbitration or voluntary repurchase.

## Section 1

| Purchase Price                                    | 15580.13   |
|---------------------------------------------------|------------|
| (from Bill of Sale, before tax, tag, title, etc.) |            |
| MSRP                                              | - 16040.00 |
| (from BARS Invoice screen)                        |            |
| Subtract the MSRP from the Purchase Price         | = -459.87  |
| (If positive, look for Overallowance)             |            |

If the Purchase Price is greater than the MSRP but there was no trade-in, have the Dealer explain why the customer paid more than MSRP.

#### Section 2

| Trade Allowance                                                                                 | 9330.75   |
|-------------------------------------------------------------------------------------------------|-----------|
| (from Bill of Sale)                                                                             |           |
| Actual Cash Value (ACV)                                                                         | - 9330.75 |
| (from ACV Statement)                                                                            |           |
| Subtract the ACV from the Trade Allowance                                                       | = 0.00    |
| If positive, the Trade Allowance is higher than the ACV of the trade-in. This is Overallowance. |           |
|                                                                                                 |           |

## Section 3

| Trade Allowance                                                                                   | 9330.75   |
|---------------------------------------------------------------------------------------------------|-----------|
| (from Bill of Sale)                                                                               |           |
| Payoff on Trade                                                                                   | - 8775.00 |
| (from Bill of Sale)                                                                               |           |
| Subtract the Payoff on Trade from the Trade Allowance                                             | = 555.75  |
| If negative, the Payoff on the Trade is higher that the Trade Allowance. This is Negative Equity. |           |

### Section 4

Dear :

Thank you again for making us aware of the situation with your 2005 Chevrolet Cobalt. We know you are sincere in the position you have taken, and we trust we have been able to explain our point of view.

In circumstances such as these, Chevrolet believes that our customers should have the opportunity to deal with unresolved matters in a fast and fair resolution process. For that reason, we participate in the Better Business Bureau's BBB AUTO LINE program, an independent resolution process administered by the Council of Better Business Bureaus. BBB AUTO LINE provides mediation and arbitration for eligible warranty-related issues.

As a Chevrolet customer, BBB AUTO LINE is available to you at no cost. The BBB AUTO LINE program is discussed in your vehicle's "Warranty and Owner Assistance Information Booklet."

To contact the BBB AUTO LINE, or get more information about the program, call the BBB at 1-800-955-5100 (Monday through Friday during normal business hours). You may also access the BBB AUTO LINE website at any time (including evenings, weekends and holidays) by visiting <a href="http://www.dr.bbb.org/goauto">http://www.dr.bbb.org/goauto</a>

Whether you contact them by telephone or Internet, the BBB will provide you with full program details, current eligibility standards of the BBB AUTO LINE program and will assist you with any questions you have.

Thank you for the opportunity to review this matter.

Sincerely,

Chevrolet Customer Assistance Center

## RECOMMENDATION AND RATIONALE

Reminder: Take into consideration 1) DVM/Svc Manager input 2) if there are any unrepaired defects, and 3) are the problems alone or cumulatively a "substantial impairment" of the vehicle's use, value or safety.

On 9/5/07 Service Manager Tommy Gallagher states have not performed a Final Repair Attempt. Customer had a tail light concern, headlight. Steering. Left front bulb turn signal. Shifter concern. Air bag recall done in March. Only thing we can consider the same is the turn signal. On 9/7 BBB closed file Ineligible: Vehicle Ineligible Due To Age. On 9/10/07 CRS adv - At this time the BBB has closed your file ineligible due to time and mileage of the vehicle. As well you had informed me that all of your concerns were resolved and the vehicle was repaired. At this time GM is not willing to offer any further assistance for your claim. I do apologize that we are unable to assist.
