Subject: Fw: PE10-034, 2009 VW Jetta TDI (Engine Stalling)

Good afternoon Jeff,

I have attached an email response from Mr. Bressant. Thank you for providing an electronic copy of the PE10-034 inquiry.

I am requesting an extension to the PE10-034 response until December 1, 2010. The request is due to the breadth of the request, the revision to the subject/peer vehicles, the Thanksgiving holiday period, and the overlap of the other PE inquiry and ETC request.

Would you please consider our extension request and provide a verbal or written response?

Thank you,
Chris Sandvig

Bob and Chris, here is the MS Word version of the IR letter.

Chris, per my email of 10/05/10 requesting an email acknowledgement (having previously received "telephone" acknowledgement of my 10/04/10 email regarding the revised "subject" vehicles), please contact (an email would suffice) the Vehicle Control Division Chief (Jeff Quandt) regarding a request for a time extension to fulfill the requests for information in the PE10-034 Information Request letter dated September 14, 2010.
