Office Of Defect Investigation

Recall Campaign Number: 08E-046

Siebert Mobility Inc. purchased the assets of Arkansas Conversion Center on January 2, 2008. Our records start on that date to present. The previous owners of Arkansas Conversion Center took prior documents with them. Since the time frame for this recall is before the date of sale, it would be our understanding that if Siebert Mobility Inc. purchased assets only and did not sell this product, we can not be held accountable or assume responsibility for these Ricon Seat Bases.

Thank you for your time,
Carlton Finney
Operations Manager
Siebert Mobility Inc
