Re: EQ10-007

7/7/11

Dear Mr. Harris,

I am in receipt of your certified letter of the safety recall 10E-038 regarding Hollandia aftermarket sunroofs. Please allow this to be my formal response as requested in your letter. We are in the process of identifying those sales that we made to new car dealers with the affected product over the applicable time frame. We have submitted some sales receipts to Webasto directly and they have forwarded this information to ISG. We are working on providing more data to them over the next 30 days and expect to be completed with all accessible information within this period. This is a huge undertaking and some of our earlier years may not available.

Sincerely,

Howard Honigbaum
President
