RE: Safety Recall 10E-028

To whom it may concern,

Forest River, Inc. purchased the assets of Coachmen Recreational Vehicle Group LLC December 26, 2008.
The purchase was for the complex in Middlebury, Indiana, the names, inventory and any other assets that are associated with recreational vehicles.
Forest River did not purchase any of the assets of the Bus Division of Coachmen nor do we have any access to the records of this division.

If there is any further information required, please contact me
