Re: Letter dated January 13, 2011 concerning NVS-215aa, EQ10-010, 10E-049 concerning Airstream Inc..

Dear Ms. Timian,

This letter is being written in response to your letter regarding Airstream's involvement with a recall Norcold issued regarding their 1200 Series refrigerators. That is recall 10E-049. Airstream's records indicate that the one refrigerator that Airstream purchased was for product development and evaluation purposes. That refrigerator was never placed into an Airstream vehicle under our authority. Therefore, Airstream will be taking no action in regards to the Norcold recall.

If you need any additional information please feel free to contact me at 937-596-6849, Ext. 7363.

Sincerely,
