Ref: Disc brakes sold and issues found

Dear Mr. Bowman:

LCI would like to voluntarily submit the following data from our production and service/warranty records. Since 1/1/2006 LCI has sold a total of 2413 disc brake axles in multiple variations. Of the 2413, LCI has sold 2129 to DRV LLC. LCI has sold 284 axles to various other customers including OEM's, dealers, individual retail, and service centers. LCI's service and warranty data show no loose or separated wheels other than 3 in our records regarding DRV LLC. All three units in our database have been reported to NHTSA by DRV LLC.

Sincerely,

Bruce Bailey
Chief Engineer
