In RE: **Delphi Request for Confidential Treatment in regards to EQ11-002**

Dear Mr. Vincent:

Pursuant to 49 CFR 512, Delphi requests confidential treatment for information provided in response to NHTSA ODI information request EQ11-002.

Per section 512.8, the required supporting information is listed below.

A. Description of Confidential Information

The confidential information consists of customer contacts and sales volumes pertaining to the Pack-Con III fuse holder.

B. Confidentiality Standard

This confidentiality request should be evaluated under confidentiality standard 512.15 (b) (I.e. substantial harm to competitive position).

C. Harmful Effects of Disclosure

Delphi could lose sales due to the fact competitors could identify and target Delphi customers.

D. Class Determination

None of the items fall within the class determinations specified in Appendix B of Part 512.

E. Time Period for Confidentiality

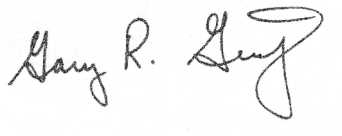

Delphi requests the submitted confidential material be held confidential indefinitely.

F. Delphi Contact

Please direct all responses and inquiries to the undersigned.

The signed Part 512 certificate is attached, and the confidential and non-confidential copies are enclosed.

Sincerely,

Gary R. Greib

CERTIFICATE IN SUPPORT OF REQUEST FOR CONFIDENTIALITY

I, Gary Greib, pursuant to the provisions of 49 CFR Part 512, state as follows:

(1) I am the Manager of Product Investigations and Safety Affairs, and I am authorized by Delphi Corporation (Delphi) to execute this certificate on its behalf;

(2) I certify that the information contained in Tables 1 and 2 (bates # GL11-002-002) is confidential and proprietary data and is being submitted with the claim that it is entitled to confidential treatment under 5 U.S.C. 552(b)(4) (as incorporated by reference in and modified by the statute under which the information is being submitted);

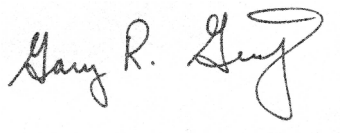

(3) I hereby request that the information contained in Tables 1 and 2 be protected indefinitely;

(4) This certification is based on the information provided by the responsible Delphi personnel who have authority in the normal course of business to release the information for which a claim of confidentiality has been made to ascertain whether such information has ever been released outside Delphi;

(5) Based upon that information, to the best of my knowledge, information and belief, the information for which Delphi has claimed confidential treatment has never been released or become available outside Delphi.

(6) I make no representations beyond those contained in this certificate and, in particular, I make no representations as to whether this information may become available outside Delphi because of unauthorized or inadvertent disclosure (except as stated in paragraph 5); and

(7) I certify under penalty of perjury that the foregoing is true and correct. Executed on this 25th of March 2011.

Gary R. Greib
Manager, Product Investigations and Safety Affairs
