Valencia,

Please enter this into the Repository for PE11-010. I have removed the attachments as redacted copies of the VOQs are available on the public website.

Mr. Babcock,

Attached, for your reference, are copies of the VOQs that are listed in the Opening Resume for PE11-010. The first PDF contains the four VOQs listed in the
Resume as related to the alleged defect (10350175,10386518,10368160,10384312), the second PDF contains the five VOQs listed in the "OTHER" section of the Resume
(10388108,10390493,10392186,10394337,10376949), the third PDF is a detailed copy of a VOQ for which the entire text is not printed on the original VOQ form (10390493). The categorizations are based on text in the VOQs and any owner interviews ODI may have conducted.
