Subject: Request for Time Extension RQ10-004/EA11-014

Stephen

This is a follow-up to the voice mail that I left with you earlier today. In December, Jeff Quandt and I spoke relative to General Motors providing an update of data for RQ10-004/EA11-014. We agreed that we would provide that data update by January 13, 2012.

We are requesting a time extension for providing the data update from January 13, 2012 to a new due date of January 20, 2012.

Can you please reply with your concurrence for this time extension?

Call me if you have any questions about this request.

Thanks
