Dale,

As discussed earlier, I appreciate any efforts you can take to provide responses to questions 2 to 6 as early as possible.

GM's request for a two week extension is granted.

Subject: Request for Time Extension PE11-021

John,

This is a follow-up to our discussion earlier today. General Motors (GM) is requesting an extension to the due date for responding to some of the questions in NHTSA Preliminary Evaluation, PE11-021.

The current due date for responding to this information request is August 19, 2011, and GM is asking for a 2 week extension of that due date until September 2, 2011.

With this extension, GM will respond to questions 1, 7, 9 and 10 on the original due date of August 19, 2011. GM will then respond to the remainder of the questions no later than September 2, 2011.

Please respond with your agreement to this extension request.

Thanks

Dale Furney
