Sonny Merryman Inc
PO Box 495
Rustburg, VA 24588

October 18, 2011

Mr. Ric Willard
Acting Chief, Recall Management Division
Office of Defects Investigation
Enforcement
Cc; Floyd Merryman

This letter is to inform NHTSA that Sonny Merryman Inc. is not a vehicle manufacturer. All installations of Carrier A/C equipment that have been installed by this company were done after the vehicles were manufactured. At that point, component registration cards were sent to Carrier Corporation with serial number and customer information by this dealership. I hope this satisfies our involvement in investigation EQ 11-002.

Sincerely,

Brady Childress
Director of Customer Support
