Re: Issue Identification Number EQ11-004
Accuride Gunite Safety Recall 11E-008

Dear Mr. Willard,

Autocar, LLC and Autocar Industries, LLC (together, "Autocar") are in receipt of your letter requesting a written response regarding the above Safety Recall. Please be advised that Autocar does not use the subject equipment in the production of its truck or tractor chassis. Any equipment which Accuride shows as purchased by Autocar was purchased for aftermarket use. Therefore, we have determined that we have no recall responsibility for this equipment. Please contact me if you do not agree or if you would like to discuss.

Respectfully,

Jo Theart
Director: Quality
