As discussed, TRW Automotive (TRW) requests the submission extension to items 5, 6 & 8 of ODI's Information Request (IR) letter dated March 22, 2012. Items 1, 2, 3, 4, 7 & 9 will be submitted as scheduled on May 18, 2012. The bases for the extension request were for TRW to adequately and properly response to these broadly worded requests.

In a separate discussion with Mr. Jeff Cooper of TRW, the above extension request was granted. In addition, TRW will provide the additional ODI requested ASIC circuit documentation (ASIC specification and schematic) by May 18, 2012 along with the main IR response.

If you have any questions, please contact Peter Ong on 60583.
