**Accident information**  
If you are involved in an accident, you should first check for injuries to yourself and others. If anyone is injured, call 911 for help. If you are in a safe area away from the flow of traffic, move your non-driveable vehicle and move to a safer area if possible. Notify the police, fire department, and other emergency services if necessary. If you are in a safe area, call the police to report the accident. If you are in a safe area, call the police to report the accident. If you are in a safe area, call the police to report the accident.
