04/23/2012

A close-up photograph of a metal mechanical assembly, possibly a part of an engine or a pump. The image shows several cylindrical metal components, including a central vertical shaft and a horizontal pipe-like structure. The metal surfaces are somewhat worn and show signs of rust or discoloration. A date stamp in yellow text is visible in the bottom right corner.

04/23/2012

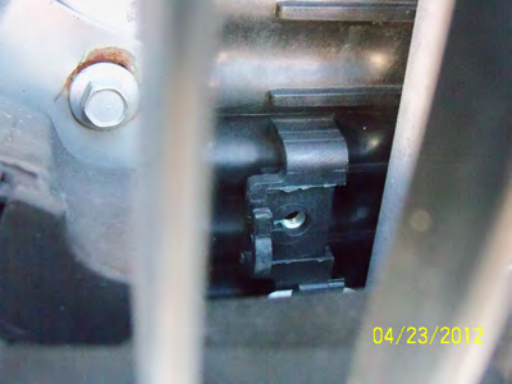

04/23/2012

04/23/2012

A close-up photograph of a metal grate, likely from a vehicle's engine compartment. The grate is composed of several vertical bars and a few horizontal crossbars. It is set within a light-colored, possibly white or light blue, plastic or metal housing. The background is dark and indistinct. A yellow date stamp is visible in the bottom right corner.

A photograph showing the rear view of a silver Jeep Liberty SUV. The vehicle is parked on an asphalt surface. A large, dark grey spare tire cover is mounted on the back, featuring the word "Jeep" in a large, bold, sans-serif font, with "LIBERTY" in a smaller font below it. To the right of the spare tire cover, the "3.7L" engine specification is visible on the rear panel. The rear window is dark, and a red emergency light is visible on the roof. In the background, a white sedan is partially visible. A black rectangular redaction box is located on the lower left side of the image, partially covering the bumper area. A yellow date stamp "04/23/2012" is located in the bottom right corner.

A close-up photograph of a metal bolt and nut assembly. The bolt is silver-colored and has a hexagonal head. The nut is also silver-colored and is threaded onto the bolt. The assembly is mounted on a metal plate. There is some rust or discoloration around the bolt head. The background is dark and out of focus. A date stamp is visible in the bottom right corner.

04/23/2012

A close-up photograph of a mechanical assembly. A silver-colored metal bolt is visible, secured into a metal component. The bolt head is surrounded by a circular area of orange-brown discoloration, likely rust or a sealant. The background is dark and out of focus, showing various mechanical parts. A date stamp is present in the bottom right corner.
