Jeep

A close-up photograph of the front bumper of a red Jeep. The bumper is a vibrant red color and features a prominent white 'Jeep' logo in the center. Below the logo is a black grille with a grid pattern, which is partially visible through the bumper's design. The bumper has a curved, protective shape. The background shows a concrete surface and a patch of green grass at the bottom.

WARNING

SAFETY INFORMATION
READ THE SAFETY INFORMATION
IN THE OWNER'S MANUAL
BEFORE OPERATING THE
VEHICLE.

AIR FILTER
Replace the air filter regularly to maintain engine performance.
Use only the recommended filter.

0 98111 001

DeLorean Corporation
IMPORTANT VEHICLE INFORMATION
This vehicle is equipped with a catalytic converter that contains precious metals. Do not tamper with or remove the catalytic converter. Tampering with or removing the catalytic converter is illegal under federal law and may result in a fine and/or imprisonment. For more information, see the owner's manual.
Emissions Control System (ECS) components include the catalytic converter, air filter, and oxygen sensors. Do not tamper with or remove any ECS components. Tampering with or removing ECS components is illegal under federal law and may result in a fine and/or imprisonment. For more information, see the owner's manual.
Emissions Control System (ECS) components include the catalytic converter, air filter, and oxygen sensors. Do not tamper with or remove any ECS components. Tampering with or removing ECS components is illegal under federal law and may result in a fine and/or imprisonment. For more information, see the owner's manual.
Emissions Control System (ECS) components include the catalytic converter, air filter, and oxygen sensors. Do not tamper with or remove any ECS components. Tampering with or removing ECS components is illegal under federal law and may result in a fine and/or imprisonment. For more information, see the owner's manual.

WELD 960

A close-up photograph of a person's hand holding a metal tool. The tool has a black handle with a circular button and a silver metal head with a rectangular cutout. The number 'TD 123' is printed on the metal head. In the background, a red seatbelt strap is visible.

TD 123

A close-up photograph of a red rectangular button on a light-colored leather car seat. The button is mounted on a white plastic base and has the word "PRESS" printed in red capital letters on its top surface. The seat has visible stitching and is illuminated by bright sunlight, creating strong highlights and shadows. The background is dark, possibly the interior of the car.

PRESS

WARNING

DEATH OR SERIOUS INJURY CAN OCCUR

A dark-colored Jeep vehicle is shown in a dimly lit environment. A prominent feature is a glowing red light on the left side, which appears to be a circular light with horizontal segments. The word "Jeep" is visible in white lettering on the upper part of the vehicle's body. The rest of the vehicle and the background are mostly obscured by shadows.
