Customer is seeking help with the repair bill. Her insurance company has said they will not help. The doctor has stated that she has severe whip lash and they took exrays. She has not heard any result back on the exrays.

Customer has been told there is a recall that has not been completed. Writer called the dealership for the customer to make sure there is not going to be an issue to leave the vehicle waiting for the investigators. Writer called and spoke to the SA John Cockrell, he stated that as long as this is settled before 06/01/2009 when the dealership is closing it should be ok. Writer left message for the SM Mike Stewart to call if there is any problem with what the SA John had stated.
