Re: **Sure Power Battery Separator**
NHTSA Recall: 11E-045

Dear Ms. Timian:

PACCAR Inc acknowledges receipt of your February 9, 2012 letter concerning a recall initiated by Sure Power, Inc. relating to its battery separators. We understand that Sure Power states three (3) of the affected parts were sold to PACCAR Inc. Preliminarily, we believe your letter was our first notification of the recall.

We have identified that each of the three affected Sure Power battery separator units were sold by our PACCAR Parts division to Peterbilt dealerships in Canada for resale to Canadian customers. We will be notifying Transport Canada of our intention to recall the affected parts later this week.

Please let me know if you have any questions or concerns.

Very truly yours,

Michael K. Walton
Counsel
