Ms. Timian:

In response to your request for information pertaining to NHTSA recall number 11E-045, J&N Auto Electric, Inc is providing the attached excel file containing the requested data for each transaction containing the defective product. This includes: company name, address, contact name and phone number of each purchaser along with the part number, quantity purchased and date sold. We are unsure of each customer's line of business. As such, we are unable to make representations regarding that portion of your requested information. J&N Auto Electric is a distributor for Sure Power product only. We did not manufacture equipment containing the Sure Power product affected by this recall.

Thank You,

Dan R Fee
