Young's Welding Inc ® STEEL FABRICATION SINCE 1934

March 30, 2012

Alex Ansley
NATSA

Young's Welding, Inc. (YWI) manufactures trailer frames for NuWa Industries. We purchase the axles and components from Dexter Axle. We install them on the trailer frames and sell as a unit to NuWa Industries. NuWa builds the camper on the trailer frame. NuWa issues a MSO to the customer when they sell the camper.

YWI was notified by Dexter Axle of recall on the axles and was given the serial numbers affected by this recall. YWI in turn notified NuWa. We replaced all affected units in our and NuWa's inventory. We provided a list of serial numbers of frames to NuWa in order for them to contact their customers.

NuWa sent a letter to all customers or dealers affected by this recall. I have enclosed a copy of their letter as well as a list of units and actions taken.

Best Regards,

Darryn Young
