To: File PE13-019

Representatives from Agility Fuel Systems, Inc. met with NHTSA personnel at the DOT Headquarters on January 16, 2014 from 10:30am to 12:15pm for the following purpose:

- Allow Agility Fuel Systems, Inc. the opportunity to meet ODI staff and select subject matter experts from OVSC and R&D.
- Discuss the natural gas vehicle market in general and Agility's position within the marketplace.
- Discuss the content of Agility's technical service bulletin titled, "ENP-047 Rail Mount Periodic Maintenance And Inspection Schedule."
- Allow Agility the opportunity to defend their position that the alleged defect does not, in their belief, pose an unreasonable risk to motor vehicle safety.

Attendees from Agility included:

- Todd Sloan – Vice President of Engineering
- Scott Lucero – Vice President of Sales Operations and Product Support
- Yoshio Coy – Director of Research and Development
- Michael Mowry – Director of Product Support
- Roger Erickson – Attorney, Borda Lorenz PC

Attendees from NHTSA included:

- Frank Borris – Director, Office of Defects Investigation (NVS-210)
- Bruce York – Chief, ODI Medium & Heavy Duty Vehicles Division (NVS-214)
- Kyle Bowker – Safety Defects Engineer, ODI Medium & Heavy Duty Vehicles Division (NVS-214)
- Daniel Hillman – Safety Defects Specialist, ODI Defects Assessment Division (NVS-211)
- Luis Figueroa – Safety Compliance Engineer, Office of Vehicle Safety Compliance Equipment Division (NVS-222)
- Ed Chan – Safety Compliance Engineer, Office of Vehicle Safety Compliance Vehicle Crashworthiness Division (NVS-224)
- Barbara Hennessey – Physical Scientist, Vehicle Safety Research Structures & Restraints Research Division (NVS-321)
- Marie Choi – Attorney, Office of Chief Counsel (NCC-111)
