Subject: RE: Request for Time Extension RQ13-001

Dale,

During the phone call you advised that key personnel required to produce certain portions of the response were unavailable due to circumstances beyond your control, and that this was a primary factor in GM's request for a response extension. GM's request is granted. However, and as we discussed on the call, any efforts GM can take to pull-forward responses to requests 2 – 6 would be appreciated.

Subject: Request for Time Extension RQ13-001

Scott

This is a follow-up from our discussion earlier today related to Information Request RQ13-001. As we discussed, GM is requesting a time extension for some of the questions in RQ13-001.

The current due date is March 29, 2013 and GM will provide a response to questions 1, 7, 9 and 10 no later than that date.

GM is requesting a time extension for the remainder of the questions with the new due date of April 17, 2013.

Please respond and let me know if you are in agreement with this request.

Thanks
